

Florida Youth Basketball Association

Coach Agreement

As a Head Coach in the Florida Youth Basketball Association (FYBA), I pledge the following:

I will do my utmost to act as a positive role model for the players. This includes conducting myself positively during practices and games, not challenging officials' calls during games and managing so that neither parents nor players are questioning the officials. I will demonstrate positive sportsmanship at all times.

I will help to ensure that the gymnasiums used by FYBA are kept clean and safe during games and that food and drinks (except water for players) are kept out of the gyms. I will be responsible to make sure that my players' area is clean upon exiting the gym.

I understand that there are FYBA rules and it is my responsibility to comply with those rules and make sure that the players and parents associated with the team understand and abide by the rules. I understand that the Division Directors and FYBA Board are responsible for enforcement of all FYBA policies and that failure to comply may lead to action by the FYBA Board.

I agree to abide by the FYBA Code of Conduct and will help my parents and players understand their expectations as well.

I understand that my failure to comply with the principles outlined above will cause my suspension or removal of my coach role by FYBA.

It is my responsibility as head coach to ensure that assistant/substitute coaches comply with the terms of this agreement.

I attest that all of the information I have furnished to FYBA is the truth. I have never been convicted of any felony or any crime involving child abuse. If I have been convicted of any such felonies or child abuse crime, the specifics are as follows:
